- All requests **must be** from the Club Secretary and addressed to the League Secretary.
- Request will not be accepted from Club Managers or anyone else.
- Clubs must provide a valid reason for the 'Relief of Fixture' and include the date and fixture if applicable.
- There is no guarantee that a 'Relief of Fixture' will be granted. The decision to grant 'Relief of Fixture' will be at the discretion of The Management Committee.
- Cup ties and LFA matches are exempt from any such request.
- Only one (1) 'Relief of Fixture' may be granted to any team during the course of the season.
- It is highly unlikely, that once fixtures have been issued, that a "Relief of Fixture" will be granted but please discuss with the respective Fixtures Secretaries, to see if it is possible to mutually agree a rearranged date.
